

Picture this: the sun shining, the crack of a bat, the cheers of proud parents, and the unstoppable energy of young girls giving it their all on the softball field — and last year, that energy took Evergreen Park all the way to the **Little League World Series!** Our community rallied behind the team, our players represented Evergreen Park on a national stage, and the world got a glimpse of the heart, hustle, and talent that make our girls truly special.

That incredible run reminded us why we do what we do. At the **Evergreen Park Girls Softball League (EPGSL)**, our goal every season is to build on that momentum — to help these girls dream big, play hard, and continue putting our town in the spotlight. But here's the pitch (pun intended): to keep that dream alive and growing, **we need your support.**
